AGENDA 2030 – 17 SDGs

MDG to SDG

8 GOALS

Beyond2015

17 GOALS, 169 TARGETS

The Unfinished Business of the MDGs

- *Persistent inequalities* – need to address the root structural causes, and root causes of conflict - not just deal with manifestations
- Civil society taken as serious global/national partners – *CSO enabling environment*
- *Country and democratic ownership* (also with the so-called “poor & vulnerable”)
- *An alternative (more sustainable) development paradigm*

Key Features of Agenda 2030

- **Ambitious** – *Leave No One Behind*
 - **Universality** – *For all countries*
 - **Transformative** – *People, Planet, Prosperity*
 - **Interwoven** - *Interrelated*
-
- **Not of/for governments alone – for which CSOs/citizens should hold governments accountable**

Pacific Forum Leaders 2015 SDGs directives

1. Commitment to SDGs implementation

1. With particular attention to the *'Pacific's unfinished business on the MDGs'*
2. Called for **support of development partners** consistent with commitments under the SAMOA Pathway, the Addis Ababa Action Agenda particularly in *financing, statistics, partnerships, SDGs integration and follow up and review & acknowledging special case of SIDS*

2. Contextualisation and streamlining of reporting on the SDGs/SAMOA Pathway & **Framework for Pacific Regionalism**.

1. Called for country driven process of tailoring the SDGs indicators
2. Development of *a set of Regional SDGs Indicators* to measure the regions progress against the SDGs, SAMOA Pathway & **Framework for Pacific Regionalism**
3. Development of a *process for the follow up and review* of the SDGs/SAMOA Pathway and **Framework for Regionalism**
